HotelsCombined recognize Agriturismo Borgo tra gli Olivi amongst the best hotels in Italy

Castiglione Fiorentino, Italy, 28 August 2019- HotelsCombined, the Australian-based hotel meta-search company, has started an extensive survey covering different types of accommodations within Italy. This survey is based on gathering data from millions of guest reviews, and translating them to an official Recognition of Excellence.

The HotelsCombined Recognition of Excellence is not a ranking list but a group of outstanding accommodations chosen based on a strict set of criteria. In order to be considered, properties must meet the following criteria:

- At the time of judging, a winner is rated 8.00/10 or over with a minimum of 50 customer reviews certified by HotelsCombined.
- We couldn't detect any major customer service problems, nor recurring or unresolved issues.

Agriturismo Borgo tra gli Olivi boasts a high satisfaction rating among guests and travel industry experts, receiving 128 reviews for an impressive rating of 10 out of 10.

"We are thrilled to be working with the best hotels in Italy and Agriturismo Borgo tra gli Olivi is certainly among them" said Alberto Castelluccio, market manager of HotelsCombined Italy "What is different about the Recognition of Excellence is the way information is gathered and analysed: it all depends on the guest and his or her experience with that particular accommodation."

"With HotelsCombined 30 million people are finding the best deal available on-line every month. With this award, we'd like to make it even easier for every traveller to identify the best hotel for customer service and therefore the best value for their money".
